

Inspire to Aspire for our Playscape

For our children, school and community

December 5, 2018

On behalf of the Elkhorn School Advisory Council (SAC), we would like to ask for your support in helping fund our playscape.

Elkhorn students lost their playscape in September 2016. There was an over 18 month wait before active design on the Elkhorn Schoolyard Master Plan could begin. The plan serves as a long-term guide to be implemented in phases over the years, and had to be completed to replace the playscape.

Since the end of April 2018, there has been concurrent development of the master plan and playscape design to accelerate the process. As of November 2018, the master plan and playscape design for Elkhorn has been finalized.

Phase one is now ready to begin!

There is now the potential for Elkhorn to have a new playscape in which our children, school and community can learn, play and congregate in less than one year. The playscape will be in a new area of the field, with addition of a walking pathway, seatwall, and trees.

For this goal to be achieved, we need your support in raising an additional \$20,000 to cover the costs of our portion of the project (including incidental costs). To date, with the support of Elkhorn parents, we have raised \$25,000. The TDSB is also financially contributing to this project.

If we meet our fundraising goals by spring 2019, the TDSB aims to have the playscape installed and functional by September 2019.

You can inspire so Elkhorn can aspire for a playscape!

Attached is our Donation Form. We ask you to consider making a donation to the campaign. Every donation, big or small, will help us get a step closer to our goal. Extra donor forms came home? Please feel free to pass on to family, friends or colleagues to make a donation.

Donations are eligible for a tax receipt. Some companies will match donations made to a charitable organization. Please check if your workplace has a matching program and can make your donation have an even bigger impact.

Join us today in inspiring a playscape for Elkhorn! Together we can make the Elkhorn Schoolyard a place where our children can learn, play and grow.

Please feel free to contact us with any comments, questions or concerns at chair@elkhornschoolcouncil.ca

Sincerely,
Shadi Lessan and Melody Nguyen
Co-Chairs, Elkhorn School Advisory Council
